Your Guarantee of Quality

As publishers, we strive to produce every book to the highest commercial standards.

The music has been freshly engraved and the book has been carefully designed to
minimise awkward page turns and to make playing from it a real pleasure.

Particular care has been given to specifying acid-free, neutral-sized paper made from
pulp which have not been elemental chlorine bleached.

This pulp is from farmed sustainable forests and was produced with special regard for the environment.

Throughout, the printing and binding have been planned to ensure a sturdy,
attractive publication which should give years of enjoyment.

If your copy fails to meet our high standards, please inform us and we will gladly replace it.
