

Guitar Tablature Explained

Guitar music can be notated three different ways: on a musical stave, in tablature, and in rhythm slashes.

RHYTHM SLASHES are written above the stave. Strum chords in the rhythm indicated. Round noteheads indicate single notes.

THE MUSICAL STAVE shows pitches and rhythms and is divided by lines into bars. Pitches are named after the first seven letters of the alphabet.

TABLATURE graphically represents the guitar fingerboard. Each horizontal line represents a string, and each number represents a fret.
