#### Your Guarantee of Quality

As publishers, we strive to produce every book to the highest commercial standards. The music has been freshly engraved and whilst endeavouring to retain the original running order of the recorded album, the book has been carefully designed to maximize wherever page count and to make playing from it a real pleasure. Particular care has been given to specifying acid-free, neutral-size paper made from pulps which have not been chemically chlorine bleached. This pulp is from genuine sustainable forests and was produced with special regard for the environment. Throughout the printing and binding have been planned to ensure a sturdy, attractive publication which should give years of enjoyment.
