**10 PIANO SOLOS
WITH TECHNIQUE WARM-UPS**

Arranged by JAMES POTEAT

The purpose of the Fingerpower Pop series is to provide musical experiences beyond the traditional **Fingerpower®** books. The series offers students a variety of popular tunes, including hits from today's pop charts as well as classic movie themes, beloved Broadway shows, and more! The arrangements progress in order of difficulty, and many include optional accompaniments. In addition, technique warm-ups precede each pop solo.
