This book contains nine pieces from the Grade 1 syllabus, but there are many more!

You can play a mixture of pieces from this book and from the full lists – you just need to pick one from each of the lists A, B and C.

Editorial guidance

We have taken the pieces in this book from a variety of sources. Where appropriate, we have edited the pieces to help you prepare for your performance. We have added metronome markings (in square brackets) and ornament realisations. Details of other changes or suggestions are given in the footnotes. These editorial additions are for guidance only: you do not have to follow them in the exam.
